4WD and Jet Boat Adventure / Dress: Casual (Bring Scarf: Jet Boat Ride is Windy / May Get Splashed)

Climb on board the Nomad Safaris 4WD for a custom off-road tour down the Skippers Canyon Road and the Arrow River bed which supplied access to the goldfields for the original pioneers. Explore the abandoned gold mining areas and the filming locations used in the Lord of the Rings trilogy. Try your luck at gold panning while enjoying refreshments. Travel the rugged road and experience true four-wheel-driving via a fleet of small passenger Land Rovers.

Your next stop is the Shotover River where you will also enjoy a Jet Boat experience including a breathtaking ride through dramatic and narrow canyons and exhilarating 360 degree spins. This fast and thrilling ride is not for the faint at heart. Rain gear is provided as passengers may get wet.

This is a combination tour with the following three options:

4WD & Jet Boat Adventure / 4WD Only / Jet Boat Only

Skyline Queenstown Dinner / Dress: Casual

For those of you on the 4WD &/or Jet boat, your adventure will conclude at Skyline at approximately 5:30 pm
For those of you not participating in either the 4WD or Jet Boat, a shuttle will depart Millbrook for Skyline at 5pm

Our evening begins with a scenic Gondola ride to the Skyline Complex, situated 450m above Queenstown and beautiful Lake Wakatipu.

Once there, enjoy cocktails, canapés and spectacular views on the balcony overlooking the lake. You can also test your skills on the Skyline Luge, a fun filled gravity ride suitable for all ages and abilities.

Enjoy dinner in an exclusive private dining room offering stunning views of the sunset and the surrounding area.

A Kiwi Haka high impact cultural performance will showcase traditional Maori song & dance.
